

Gwinnett County Public Schools “The Plan: 2017 – 2022”

Listed here are the building needs of the school district that are scheduled to be addressed in the 2017-2022 capital program. The plan includes the projects for which we anticipate receiving sufficient funds over the five-year period. The funding will come from a combination of special purpose local option sales tax (E-SPLOST) revenue, state capital outlay dollars, and interest earnings on E-SPLOST bond proceeds. To jumpstart the program, the E-SPLOST vote includes authorization to sell G.O. bonds to be repaid with sales tax proceeds. Should funding be insufficient, the list of projects is subject to revision.

Year Opening	Project	New or Addition/Renovation	# Classrooms/ Instructional Units
2018	Norcross Cluster Theme HS	New	79
	Meadowcreek Cluster Theme HS	New	79
2019	Meadowcreek Cluster ES	New	93
