I would love to serve the people in the city of Grayson. I moved to Grayson originally in 1994 until 2006 and back in 2016. I found this to be a wonderful place to raise my children. I would like to See the citizens of this city have a voice in what goes on in the city where they live and raise their children. Good growth is wonderful and can be a great experience for everyone when you consider your neighbors that live among you. I would like to see all citizens within the Grayson zip code have a voice (100)
