Why do you want to get elected?

I'm running for Lawrenceville City Council because I am a leader who can help take the community we enjoy and shape it into an even greater place to live, work, and play. As Lawrenceville continues to grow and change and as we bring many new projects online, we need to refine our retail, service and industrial mix while maintaining the high level of city services our citizens expect. I want to be certain that all citizens have a voice, and that Lawrenceville values each person's contribution in the life of our community.
