Leadership:

I recognize that leadership is more than attending ribbon cuttings, opening up concerts and kissing babies. My pledge is to utilize my extensive business background to communicate, collaborate and connect with our citizens.

Communication and Transparency:

I will constantly seek input from our citizens as well as staff and Council members. I will improve ways to update citizens with Town Hall meetings and restart our State of the City meetings. I will insure that our City's finances are transparent and understandable for all.

Coordination:

I will have solid relationships with the County, State, CID, Partnership Gwinnett and Chambers of (100)
