Describe your family: My wife Nicole grew up in Norcross, and in 2010 I moved here from NC to be closer to her. We have been married for 8 years, and we are beyond grateful to have the opportunity to raise our daughter Evangeline “Evie” here in Norcross. We love our park time together at Lillian Webb and Thrasher, and you will find us most often on the back deck of Zapata's or grabbing Lattes at 45 South

Where did you get your education? I was homeschooled all the way up to completion of high school. (I have 4 other siblings and my mom homeschooled all of us—she is a super mom!) I attended Carteret Community College in NC where I studied Art and design, and later switched focus to business management.

Been in the military? No

Run for office before? No

What is your job now or if retired, when worked previously? The last decade I have been in Sales/Business & Leadership Development both in the for-profit & non-profit sector. As of June of this year I accepted a full time role as an associate pastor at Northlands Church.

Where do you attend church? Northlands Church

How much do you think it will cost you to run? *Less than \$2,000*

Why do you want to get elected? (Limit 100 words) My wife and I have fallen in love with Norcross. Time in this community and with our neighbors has helped strengthen our marriage and family. We want to give back to those who have given so much to us. I believe Norcross is a fantastic city that has only begun to scratch the surface of its potential. My hope is to simply offer my service and strengths, alongside all the other brilliant men and women of Norcross, to help move it closer to that potential.
