Candidate: Amber Chambers
Running for: Sugar Hill City Council, Post 2
Website:

Where born: Flowery Branch, Ga.

Current address: 809 Whitehead Road, Sugar Hill

Your age? 43

Describe your family: I have a wonderful fiancé, Tom. My parents still live just up the road in Flowery Branch, and I have a younger brother who lives in Canton, Ga.

Where did you get your education? I have a Bachelor of Science degree in Computer Science/Business Administration from the University of North Georgia in Dahlonega.

Been in the military? No.

Run for office before? No, although I was very active with the Libertarian Party in Georgia for a time.

What is your job now or if retired, when worked previously? I'm a homemaker now, but previously worked in various roles in the software industry, and as a middle school math and technology teacher.

Where do you attend church? I believe in God and try my best to follow the teachings of Jesus Christ, but do not have a church home at this time.

How much do you think it will cost you to run? < $2,500. As little as it takes to be effective - the same way the government should run its finances.

Why do you want to get elected? (Limit 100 words) Northeast Georgia has been my family's home for many generations. I love this area, and I'm running for office to help provide a voice for the people who recognize and love Sugar Hill for what it IS and always has been, and want to make this community a lot more about people, a little less about buildings, and a whole lot less about paying more money to the government for little real return on our investment.
