I love my Sweet City, and have lived and raised a family in Sugar Hill for almost 20 years. In that time, I have seen tremendous positive growth, and want to make sure that the growth is the right kind for our residents, and for the future. I am proud to be in a City that has been fiscally prudent, while continuing to expand the services to residents, and visitors. I'd continue to be a representative voice of all residents in Sugar Hill, helping to maintain the common vision and desire for progress that our community shares.
