1. Why are you seeking your office?

I would like to continue the good work I've been doing for the past two years. I've accomplished a great deal for a freshman legislator, but there is much more I want to do for both my district and our state.

2. What do you expect to accomplish if elected?

I plan to continue to support sound conservative policy that is responsible for Georgia being ranked number one in the country for business and for creating jobs for Georgians. I also plan to continue my work supporting education, and protecting the elderly, the disabled, and our children.

3. What distinguishes your candidacy?

I've used my skills as an attorney to craft legislation that protects our most vulnerable while preserving the freedoms and rights of adults and supporting a favorable business climate. Examples of such legislation I authored, sponsored, and passed include bills that protect protect low income tenants, survivors of domestic abuse, and our youth.
