

Gwinnett County Public Schools - 2022 Board of Education Districts: Map Option 1

* The Gwinnett County Board of Education engaged the Legislative and Congressional Reapportionment Office (LCRO) for the purpose of redrawing Board Members' districts and has worked in a bipartisan fashion to develop map options. Both map options will be forwarded to the Gwinnett County Legislative Delegations as they make decisions regarding a final map to submit to the Georgia General Assembly for consideration.
