NAME: Kandiss Taylor
PARTY: Republican
SEEKING: Governor

1.Why are you seeking your office?

I am sick of establishment politicians only representing themselves. We need one of us in the Governor's seat. I don't want to live in China, and communism has infiltrated Georgia due to poor leadership and backroom deals.

2. What do you expect to accomplish if elected?

Eradicate abortion from our state, prison reform, mental health reform including the opiate crisis, eliminating CRT, SEL, and CSE from our public schools, eliminate state income tax

3. What distinguishes your candidacy?

I am one of the people. We have a grassroots movement taking Georgia by storm. The people are sick of the establish lying and pandering. We are going to shock the Nation!

4. Pick any one issue. Expand on how you will address it.

Public School Education Morality Reform-Critical Race Theory, Social Emotion Learning, and Comprehensive Sex Education are stripping the innocence from our children and indoctrinating them into oppression, communism, and sexual perversion. This has to stop immediately. This is not a curriculum issue. These are morality issues. How much is your soul worth? The innocence of children must be protected. As educators, it is our job to focus on academics. It is not our job to brainwash children to our woke agenda.

5. What are your ideas on curbing all the many area-wide shooting?

Stricter consequences. You get the behavior you tolerate. Zero tolerance for shooters.

6. Please give a 100 word summary on your background.

I have been a public servant for the past two decades in rural schools. I've served as a 3rd grade teacher, school counselor, testing coordinator, student services coordinator, homeless liaison. I have received countless disclosures of sexual, emotional, physical abuse as well as domestic violence and worked to hold the perpertrator accountable while helping the victim heal. I have a heart for our Constitution, the innocence of children, our elderly, and freedom. I am a wife, mother of 3, and friend to all.
