

NAME: Thomas G. Dean
PARTY: Democratic
SEEKING: Labor Commission

1. Why are you seeking your office?

I want to amend the rules of the department of Labor to avoid misclassification of worker, and restore good ethical treatment to the misclassified workers.

2. What do you expect to accomplish if elected?

I believe will avoid misclassification of worker, adjust the minimum wage and introduce a state overtime provision, among other things.

3. What distinguishes your candidacy?

The fact that my background is from industry, as opposed to a white-collar setting, makes my candidacy distinctive from the other candidates in this year's race.

4. Pick any one issue. Expand on how you will address it?

I want to amend the rules of the department of Labor to avoid misclassification of worker, and restore good ethical treatment to the misclassified workers among other concerns.

5. What are your ideas on curbing all the many area-wide shooting?

I have not thought about a possible curb to the area-wide shootings.

6. Please give a 100 words summary on your background?

Background: I have forty years of work experience, all in industry, however for the last twenty-five years I have worked as a local pick up/ delivery agent. My current yearly gross income is about 85,000.00. I have certification as criminal justice, Paralegal/legal Assistant and Business Management. I am currently working for certification in Security/Police Sciences. I have been a Pro Se attorney or litigant in Federal Court under Federal Fair Labor Standards Act. I once earned a real estate sales license.
